

## European Team Championship 2007 in Heraklio

The ACP Board would like to congratulate the ECU, the Greek Chess Federation and the Organising Committee of the European Team Championship 2007, which took place from October 27th to November 7th in Creta Maris hotel on the island of Crete.

The level of organization was extremely high. Accommodation and food were excellent, while playing facilities left nothing to wish for.

Such conditions allow players to concentrate totally on chess in order to produce their best efforts. Moreover, the location of the Creta Maris Hotel also provided for spending a nice time at a marvellous holiday resort.

In short, perfect organization!
